contract to the second

It's glory and fame that follow
A fighting soldier's name—
But you can't fill up on glory
And you can't exist on fame;
And I may be peculiar,
But I've said it oft before,
That the man who risks his life for us
Should have a darn sight more

Than
Thirteen dollars a month.

And maybe you don't remember,
Or memory fails to suit,
How when the draft was on you went
And furnished a substitute!
You home a-makin' money
And safe from bullets and swords—
He at the front with an offer—
The best that life affords—

At Thirteen dollars a month.

You call him a government pauper,
With growls and grumbles and frets;
And kick away like an old bay steer
At the pension that he gets;
Right here I want to tell you,
And keep it under your hat—
You ought to get six months in jail
And twice a year at that,
Without

Thirteen dollars a month.

And you ought to live on hardtack And get an elegant fill Of the water the poor old fellow drank Down at Andersonville, And maybe, when your year was up The lesson you were taught Might show you why we pension those Old veterans who fought

For Thirteen dollars a month. DISTABL

Rest Recuperation Recreation

Of the Spring Waters found at these Springs, Dr. Samuel Gross, of Philadelphia, wrote as follows:

"I have had opportunity to try various medicines and the various mineral waters of this country and Europe, and I am free to confess that, as an eliminator of diseased conditions of the digestive organs, and as a healing agent to the microns membrane lining the alimentary tract, the waters of these springs are certainly superior to any curative agents I have ever examined."

Beneficial to Stomach, Liver, Kidneys and Bowels

Two trains daily from Chicago. Through sleeper on night trains.

The Fellow Who Can Whistle

By SIDNEY WARREN MASE

The fellow who can whistle when the world is going wrong
Is the fellow who will make the most of life;
No matter what may happen, you will find him brave and strong—
He's the fellow who will conquer in the strife.

The fellow who can whistle when the whole world seems to frown
Is the kind of man to stand the battle's brunt;
He's got the proper metal, and you cannot keep him down,
For he's just the sort that's needed at the front.

The fellow who can whistle is the fellow who can work,
With a note of cheer to vanquish plodding care;
His soul is filled with music, and no evil shadows lurk
In his active brain to foster grim despair.

The fellow who can whistle is the "trump" card of the deck, Or the "whip-hand," in the parlance of the street; No petty cares nor trifles can his buoyant spirit check, For a sunny heart can never know defeat.

The fellow who can whistle—he is built on nature's plan,
And he cheers his toiling fellow-men along;
There is no room for pessimists, but give to us the man
Who can whistle when the world is going wrong.

Here's the Check Protector for Which You've Been Looking

A small compact device, the base about 3 inches square, the height about 2 inches—strongly built. The top is nickel-plated—the base black japanned. It is an ornament to any desk.

It's copper faced type embosses the desired amount (\$5 LESS THAN FIVE DOLLARS \$5) etc., on the face of the check, cutting each letter so deeply that the specially prepared indelible ink impregnates the fibres of the paper, making it absolutely impossible to raise the check.

Stamps various amounts from \$5 to \$500. Enough for all practical purposes as larger checks do not pass through the hands of those who would tamper with them.

The check is inserted face up and you print the line just where you want it.

The machine is readily set for any given amount. The felt ink roll is all felt—
not a wooden block covered with flannel. It will hold ink to last for months.

We are so sure that you will find the machine in every way to your liking that we will send it prepaid on receipt of the price, \$5.00, and if you don't want to keep it, send it back at our expense and we'll return your \$5. Address
